

LOUISVILLE METRO COMMUNITY SERVICES AND REVITALIZATION

Disability Certification Part 2

A person will also be considered to have a disability if he or she has a **developmental disability, which is a severe, chronic disability that --**

- Is attributable to a mental or physical impairment or combination of physical and mental impairments;
- Is manifested before the person attains age 22;
- Is likely to continue indefinitely;
- Results in substantial functional limitations in three or more of the following areas of major life activity:
 - Self-care;
 - Receptive and expressive language;
 - Learning;
 - Mobility;
 - Self-direction;
 - Capacity for independent living; and
 - Economic self-sufficiency; **and**

Reflects the person's need for a combination and sequence of special, interdisciplinary, or generic care, treatment, or other services, which are of lifelong or extended duration and are individually planned and coordinated.

Your signature below certifies that the above named applicant meets the definition of developmental disability as stated above.
